## Advisory Board

**Terri Aaen, B.A., M.R.E,** is a public member of the Board. She has a Master of Religious Education from Loyola University and is a Buddhist Dharma teacher.

**John Ballarini, M.S. Ph.D.,** is a chemical consultant with a Masters Degree in synthetic organic chemistry from Marquette University and a Ph.D. from the Guangzhou University. His specialty is herbs and nutrition to eliminate toxic effects on the body.

**Deirdre Burrell, B.A. , Dipl. Ac.,** has a Bachelors Degree in Biology from Stillman College. She began her private acupuncture practice in 1990.

**Sidong Chen, M.D., M.A., M.S.M., Dipl.Ac. NCCA,** received his medical degree from the Zhanjiang Medical College in Zhanjiang China. He completed his Master of Science in Chinese medicine at the Jinan University in Guangzhou.

**James Harvitt, M.B.A., L.Ac.,** is senior clinician for mind/body medicine at LightCare Medical Spa in Chicago. Mr. Harvitt is a licensed investment banker with more than 20 years of Wall Street experience.

**William Hourigan, J.D.,** received his law degree from Loyola University. He has experience related to healthcare and the legal issues surrounding the practice of Traditional Chinese Medicine.

**Chris Krajniak** is a public member of the Board of Advisors. As a consultant to the school, he coordinates marketing and new business development efforts to attract new students. During his term as Alderman in the City of Milwaukee he was appointed president of the Milwaukee Arts Board and vice-president of the Milwaukee Library Board.

**Kris LaPoint, M.B., Ph.D., Dipl. Ac.,** is the Midwest College's Special Projects Director. She received her Bachelor of Medicine and Doctor of Philosophy from the Guangzhou University. Dr. La Point fosters communication between the Board and the school community. She acts as liaison between the Midwest College and national organizations.

**Diane LaRochelle, Ph.D., H.N.C.,** is a public member of the Board of Advisors. She is Director of the Center for Nursing Research and the doctoral program at Barry University. She served as Director of the Medicine Hospital at Rush-Presbyterian St. Lukes Medical Center and Professor at Rush University.

**Jangyul Park, Ph.D., L.Ac., Dipl. Ac.,** is a staff scientist at Argonne National Laboratory in Illinois. He previously served on the Board of the ACAOM as a commissioner, and the Board of the Korean School of Illinois as a chairperson. Dr. Park graduated from Cornell University with a Ph.D. in materials science.

**Darci Sprader, B.A., Dipl. Ac.,** brings the point of view of a graduate in practice to the decision making process at the Midwest College.
